Venue:	Chiropractic Educators Research Forum (CERF) Practice Relevant Education Conference, June 2023
Title:	Presentation: Practice-relevant education: planning our way forward
Date:	2023
Type:	Presentation
Author(s)/ Presenter(s):	Deborah Bushway
Abstract (or Book Review):	Practice-relevant education can refer to the appropriateness of learning opportunities for students, or to the process of learning and developing skills through hands-on experience.
