Title:	Book Review: Humanistic spirit of Traditional Chinese Medicine, Genhal Luo
Date:	2023
Type:	Book Review
Author(s)/ Presenter(s):	Mei Wang
Abstract (or Book Review):	<p>Description</p> <p>This book uses captivating stories, references, and anecdotes that highlight the evolution of this art form to introduce the rich culture and unique legacy of ancient healing art. The book uses appropriate illustrations and bulleted lists.</p> <p>Purpose</p> <p>This book presents the rich culture and distinctive legacy of the ancient healing art in a simple language. It is a valuable book for this subject.</p> <p>Audience</p> <p>This book is an excellent choice for individuals interested in traditional Chinese medicine (TCM) and traditional Chinese culture. The author is a credible authority on the subject, having published over 30 theses and two monographs on TCM.</p> <p>Features</p> <p>The book includes narratives handpicked from three perspectives: the contributions of master TCM practitioners, the influence of traditional Chinese culture on TCM, and the interactions between TCM and Western medicine. A detailed explanation of a key TCM concept in a dedicated column accompanies each book section.</p> <p>Assessment</p>

	<p>This book is highly recommended for those who wish to delve into TCM and traditional Chinese culture.</p>
